commuNITTy (Official Newsletter of NIT Trichy)

Mehul Nath Jindal

President of ProfNITT
Tiruchirappalli, Tamil Nadu, India

Summary

Creating the Finance and Investment scene at one of the most premier Institution in India along with heading Press related efforts for NIT Trichy (previously known as REC) and being the editor of NIT Trichy's official Newsletter.

Ambitious, Open-Minded with a bad sense of humour & Sarcasm.

Wanna do something that impacts life of many ,either through Technology or other ways.

Always open for ideas!

Experience

OYO

Intern - Business Analytics in Operations
May 2019 - Present
Kathmandu, Nepal

ProfNITT

President and Co-founder
July 2018 - Present
NIT Trichy

Responsible for Leading a SIG (Student Interest Group) based on Finance with more than 400 members from ages ranging from 17-28.

Doing Due Diligence, Analyzing Business Models, Creating an ecosystem for resources and Investing in Startups present in Campus.

Engaging Alumni's from different parts of the World to help the student community by providing experience teaching (on a weekly basis) and one-on-one mentorship to the top 40 students. Along with organizing events frequently.

Conducting and planning activities such as Guest Lectures, Contests, Workshops, Managing Endowment, Projects, etc to give students practical experience in the following domains:

1. Hedge Funds
2. Investment Banking
3. Private Equity and Venture Capital
4. Business Projects

Trying to create an environment where B.Tech students can learn about Finance as a sector in depth and expand their knowledge from a scale of beginner to that of an Expert.

Collaborating with Experts and Organizations from the Finance Sector.

Responsible for the bi-monthly official Newsletter of NIT Trichy and managing the Content team of over 15 content writers.

Responsible for the final editing of the Newsletter, along with streamlining the process of Content Creation, Collection and Editing while also expanding the reach of the Newsletter through various mediums.

A-Life Software (#1 Virtual Stock Trading App on Play Store)

Software Development Engineer - Intern

February 2019 - February 2019 (1 month)

Remote, San Francisco

I worked on the "Stock Trainer" app , which is the #1 and most downloaded app for Virtual Stock Trading in Play Store as a paid SDE - Intern.

I implemented the feature of Margin Trading into the app with an emphasis on saving storage at the same time while developing the feature, the same functionality which can be expanded to further supplement the feature of Intraday Trading.

National Institute of Technology, Tiruchirappalli

Press Reporter

July 2018 - October 2018 (4 months)

Tiruchirappalli, Tamil Nadu, India

Created various official Press reports on various occasions that were subsequently published or quoted in National and Regional Dailies like The Times of India, Hindustan Times ,etc

The Zero Foundation

Chairman and Co-Founder

June 2018 - August 2018 (3 months)

Tiruchirappalli and Kathmandu

Started a NGO along with my teammates, that tried to skill the individuals who were from a economically weak background free of charge and provide them guaranteed job right after the training process ended, by solving the Demand of Labor Intensive Startups who required dedicated and skilled employees in their workforce.

Created partnership with an INGO as well as one of the best schools of Nepal.

The Project is currently inactive due to me Shifting to India and my team members abroad for their studies.

Proprietary Day Trader

Equity and Derivatives Trader

April 2015 - March 2017 (2 years)

Traded in Equity and Derivatives Segment in the Indian Market along with Both Intraday and Delivery Trade in Equity Trading.

Researched about mid-cap and large-cap stocks mostly.

Researched about IPOs.

Kaymu Asia

E-commerce Seller

2014 - 2017 (4 years)

Kathmandu

Focused on providing the best quality products at the lowest price , by keeping a focus on service and quantity rather than profit.

Became one of the top sellers on the platform with 500+ SKUs within 2 months of starting out which also had an average customer rating of above 4/5 .

Gained skills in PPP marketing under the platform.
